* If any part is missing or damaged, do not attempt to assemble the product.
* Estimated Assembly Time: 10 minutes.
* Tools Required for Assembly (included): Allen Key

CARE AND MAINTENANCE

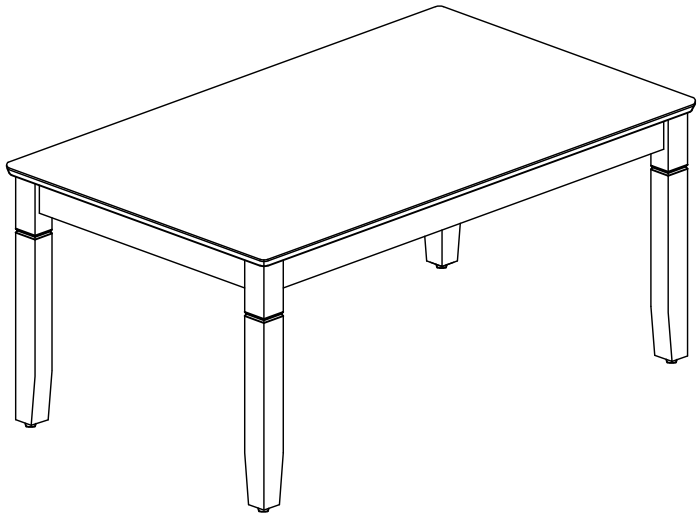

Adhesive felt pads should always be applied to areas of furniture which make direct contact with flooring, said application will prevent damage to the furniture and or surfaces on which the furniture lies. Object placed on articles of furniture should rest on non abrasive material as to prevent damage to the wood finish. Objects whose composition consists of plastic and rubber are known to discolor and damage the wood surfaces on which they rest. Wipe up spills immediately and avoid common hazards such as hot dishes, harsh solvents and abrasives. Cleaning should be done with a soft lint free cotton cloth dampened with water of furniture polish. On highly used surfaces we recommend applying a quality paste wax which should be used on a regular basis to provide additional protection from scratches and spills. How often you apply the wax depends on how much wear the furniture receives.

STEP 1: Attach Legs

- The four wooden blocks **(WB)** in the bottom of table need to be removed after assembly.

1.1 Leg Installation:

- Insert the legs **(B)** into the table top **(A)** as shown in the diagram.
- Secure each leg using **HW1** (M8 × 70mm) bolts with Spring Washer **(HW2)** and Flat Washer **(HW3)**.
- Tighten bolts **loosely**—do not fully tighten yet.

1.2 PVC Nail:

- Insert **(HW5)** into the legs **(B)** using a hammer (not provided).

STEP 2: Final Adjustment and Tightening

- Place the table upright on a flat surface. Ensure all legs are **level** and properly aligned.
- While the table is stable, check that all parts are correctly aligned, then use the Allen Key **(HW4)** to fully tighten all the bolts used.
