Product Dimensions:67.75"W x15 " D x107.75" H

PREPARATION

Before beginning assembly of product, make sure all parts are present.
Compare parts with package contents list and hardware contents list.
If any part is missing or damaged, do not attempt to assemble the product.

Estimated Assembly Time: 10 minutes.

Tools Required for Assembly (included): SPANNER.

Nuts has been kept on product itself, two spare nuts can found in hardware bag

Please do not fully tighten bolts/nuts until the end of step.

Periodically check all bolted connections to make sure they are tight and secure.

Please ensure that anchor part Jx 4 is secured to the ground before using this product

step1

Joint the top pillars (D) to the bottom pillars (E) with the fastening nuts (H). Joint the crowns (C) to the top pillars with the fastening nuts (H).

step3

Hang the two parts of the door (G) to the bottom of the pillars (E) and close them.

step2

Joint the top left bracket (A) and the top right bracket (B) to the pillars (D) with the fastening nuts; and connect the two brackets together with the fastening

step4

Put the shelves (F) to the middle and bottom of the pillars.
Hammer the ground stake(J) to the ground to reinforce the arch.
