CARE AND MAINTENANCE

Unplug lamps before using any cleaning solutions. Dust shades with a feather duster or with an appropriate vacuum-brush attachment. Wipe with a soft, dry cloth and clean lamp bases with the methods appropriate to the material. Avoid the use of chemicals and household cleaners as they may damage the finish.

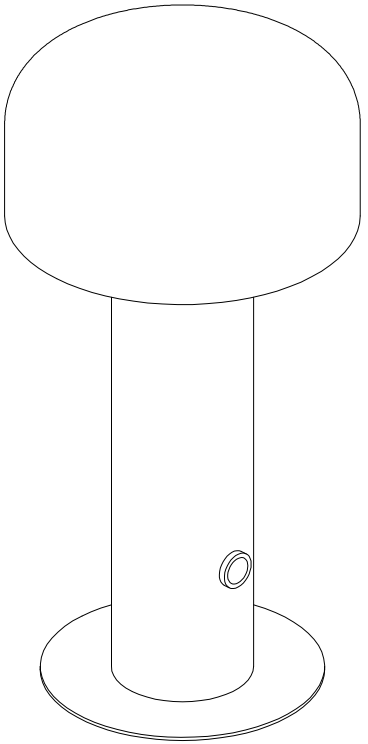

NOTICE & IMPORTANT SAFETY INSTRUCTIONS

* Please make sure that you have all parts indicated before you begin assembly of this item
* This item should be assembled on a soft surface to prevent scratching the finish during assembly
* To reduce the risk of fire, electrical shock or injury to persons or property, please follow the guideline below for safe use and installation
*The external flexible cable or cord of this lamp cannot be replaced;
If the cord is damaged, the lamp shall be destroyed

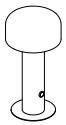

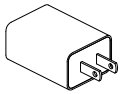

**This portable lamp has a polarized plug（one blade is wider than the other） as a safety feature to reduce the risk of electric shock. this plug will fit in a polarized outlet only one way. if the plug does not fit fully in the outlet, reverse the plug, if it still does not fit, contact a qualified electrician. Never use with an extension cord unless the plug can be fully inserted. do not attempt to disregard this safety feature.
